1. This is the day that I have made and I will rejoice and be glad in it, seeing the marvelous wondrous workings of the inner me in me. The me in me coming forth lovely, precious, unspoiled by human hands not wanting mine; but **wanting me, fashion and form of me, create me in them by demising not me. See what I have said/stated so clearly for all to see; reckon with, not; I guess so, not; unequivocal.**

2. See what I coming at light speed, not; already here in London, and elsewhere soon. South Africa-ing and Argentina-ing and whoso goes where; slight of my hand, not; theirs, not; father's. I love you all.

3. This is the time cataclysmic and who can see/read Joel 2 and know today is today/now, and my day his day and our day one day that now is? I love you. Are we one, or the same? Or can that/those be different? Overlaid not; incorporated, appending, not; but centrally located centrally in me, being me I Am. I love you.

4. **I am I Am in all that I Am surrenders to, being I Am originally and not only in rejection; self.** I love you anyway/all and whoso can see son son'd? And what meaneth **this funny language not but that which incarcerates not but brings forth freedom announced in Isaiah 61 for all of Isaiah to be fulfilled in, completing my mission not but theirs?** I love you.

5. See the moment cataclysmic/Titanic not but similar, close, and whoso can see the levels, water, not me/mine as supposed? And what containeth? Supposeth the not-me? And what now needs air to breathe won't? I love you. Isaiah spoke of.

6. **Who can see/read and have the teacher teach, me, anointing in them New Covenant is/already being onsite, inside, released at their whim, not; surrender; total, absolute; competent not but able ministers to teach/share/begin rivering my New to New seekers/seeking. I love you all**. Amen.

7. **Stay for now and see cataclysmic opening,s.** I love you all.

8. This is the day/appearing me in me, you my friend/love, lover of one; me. I love you all.

Me

Amen
